Exploratory Testing Document -Uchenna

ET: Starting Game

Exploratory Charter

GOAL	**EXPLORE** the flow of starting the game **WITH** the web deployment **TO** see if the game can break from the start
TIME	Min. 1 min Max. 5 min.
SETUP	Follow deployment link https://testrunfor401.itch.io/chronicles-of-change
FOCUS	• Play the start of the game

Exploratory Notes

- Music should play from start of the game

Bugs Found

- None

ET: Game Flow- Early Elamite Period

Exploratory Charter

GOAL	**EXPLORE** the gameplay during the Early Elamite Period **WITH** the web deployment **TO** discover anything that needs work
TIME	Min. 30 min Max. 60 min.
SETUP	Start game on web
FOCUS	- Play Early Elamite Period - Play around with action sequence

Exploratory Notes

- Background music should play during speech dialogs
- You should be able to slash in the air.
- **It isn't clear to the user how to exit the game**
- **You shouldn't be able to go back to action sequence from dialog**
- It wasn't clear how long the action sequence was going to be or how I could finish it, countdown should be at top of screen not in corner
- **Export saves not working during action sequence**
- User should be able to go back from questionnaire to dialog
- It should be clearer to user how to import and export saves

Bugs Found

Category	Label	Value
Bug ID	ID number	#1
	Name	**No way to quit game during action section**
	Reporter	Uchenna Osemeka
	Submit Date	27/03/2026
Bug Overview	Summary	No way to quit game during action sequences

	Browser	Chrome Version 146.0.7680.71 (Official Build) (64-bit)
Bug Details	Steps to Reproduce	1. Start game from beginning 2. Reach action sequence Pause Game
	Expected Result	User should be given an option to quit game or told they can’t quit during action
	Actual Result	User is not told how to quit game
Bug Tracking	Severity	Major
	Priority	High
Notes	Notes	

Category	Label	Value
Bug ID	ID number	#2
	Name	**User is allowed to go back to action from dialog options**
	Reporter	Uchenna Osemeka
	Submit Date	27/03/2026
Bug Overview	Summary	User shouldn't be allowed to go back to action sequence once completed
Environment	Operating System	Microsoft Windows 10 Pro
	Browser	Chrome Version 146.0.7680.71 (Official Build) (64-bit)
Bug Details	Steps to Reproduce	1. Start game from beginning 2. Reach action sequence 3. Finish action sequence Press back button on bottom of text box
	Expected Result	Pressing back should not let user go back to action sequence
	Actual Result	Pressing back lets user go back to action sequence
Bug Tracking	Severity	Minor
	Priority	High
Notes	Notes	

ET: Preference Change at Main Menu

Exploratory Charter

GOAL	**EXPLORE** the preference sub menu **WITH** the web deployment **TO** see if anything breaks
TIME	Min. 5 min Max.30 min.
SETUP	Start game on web
FOCUS	- See if any options need tweaking

Exploratory Notes

- **Can’t reset settings to default**
- Can’t test audio settings to see if sound is good since no music is playing at start
- Skip options are very vague and not clear in meaning

Bugs Found

Category	Label	Value
Bug ID	ID number	#3
	Name	**No way to reset preferences to default**
	Reporter	Uchenna Osemeka
	Submit Date	27/03/2026
Bug Overview	Summary	No way to reset preferences to default in preference sub menu
Environment	Operating System	Microsoft Windows 10 Pro
	Browser	Chrome Version 146.0.7680.71 (Official Build) (64-bit)
Bug Details	Steps to Reproduce	4. Start from main menu 5. Go into preferences sub menu Change any setting
	Expected Result	User should be given an option to return preferences to default
	Actual Result	User is not given an option to return preferences to default
Bug Tracking	Severity	Minor
	Priority	Low
Notes	Notes	

ET: Import Saves

Exploratory Charter

GOAL	**EXPLORE** the ability to import saves **WITH** the web deployment **TO** see if it works as expected
TIME	Min. 5 min Max.10 min.
SETUP	Start game on web
FOCUS	- See if needs reworking

Exploratory Notes

- Import saves works as expected, we should probably add instructions for those that might have trouble

ET: Export Saves

Exploratory Charter

GOAL	**EXPLORE** the ability to export saves **WITH** the web deployment **TO** see if it works as expected
TIME	Min. 5 min Max.10 min.
SETUP	Start game on web
FOCUS	- See if needs reworking

Exploratory Notes

- Export saves works as expected, we should probably add instructions for those that might have trouble same as imports
